OUR AIMS

Creativity Inc aims to constantly review and improve its service and work environment. Your feedback is important to achieve this aim.

Creativity Inc aims to provide an environment in which any service user, staff member, volunteer, student, visitor to Creativity Inc and member of the community can provide feedback and make a formal complaint without fear of retribution.

Creativity Inc aims to resolve any issues that arise at an informal level and resolve them promptly, before they become a formal complaint. For formal complaints, Creativity Inc has Feedback and Complaint Policy and Procedures to ensure complaints will be dealt with in a professional, respectful, impartial and timely manner.

GIVING US FEEDBACK

Sometimes all it takes to resolve an issue is to talk to the person directly. This could include feedback, suggestions or requests about services or resources, OH&S/health and safety, communication, training and support, or vehicles and equipment.

If you think your feedback does not fall into any of these categories or it is of a more serious nature, we encourage you to make a formal complaint.

Making a Formal Complaint

These steps outline how you can make a formal complaint and how Creativity Inc will manage this complaint.

1. Complete a Complaint Form:

You can get a complaint form from Creativity Inc staff or simply download it from the Creativity Inc website. You can ask an advocate to help you with this.

2. Lodge the Complaint:

Forward the completed Complaint Form to Creativity Inc staff by mail or in person. This can be the relevant Coordinator or a Manager if the complaint is about a Coordinator.

If the complaint is about the CEO, you can forward your complaint Form to the Management Committee.

3. Acknowledgement & Registration:

Creativity Inc will contact you to confirm the receipt of your complaint. Within 3 days Creativity Inc will send you an acknowledging letter outlining who is responsible for dealing with your complaint. Internally, your complaint will be registered in the Creativity Inc Complaints Register.

4. Investigation & Actions:

Creativity Inc will allocate an appropriate staff member/person to investigate your complaint. The investigation begins immediately. Any information gathered will be added to your Complaint Form.

Making a Formal Complaint

The investigation may include:

Creativity Inc staff contacting you to get more information or clarification.

Creativity Inc staff talking to other people involved in the complaint.

Creativity Inc staff setting up a meeting to discuss the complaint with all people involved.

5. Advice and Finalisation:

Creativity Inc aims to resolve your complaint within 14 days. Creativity Inc will send you a Response Letter once your complaint has been resolved, outlining the actions taken.

6. Internal Appeal:

If you are not satisfied with the outcome of your complaint and the actions taken to resolve the issue, you can lodge an Appeal with the CEO. This needs to be in writing and within 7 days after receiving the Response Letter.

The CEO will re-investigate and make a final decision. The CEO will inform you in writing of this decision within 14 days of your Appeal.

If you are not satisfied with how your complaint and internal Appeal has been resolved, you can contact an independent government organisation to support you with further steps. (see External Appeal Contacts)
